

Household of Lady Mary c. 1669-?1677
(See also Household of Mary II 1688-1694)

NB: Most of Lady Mary's household continued in her service in the Netherlands after her marriage to the Prince of Orange on 4 November 1677. Chamberlayne apparently took some time to ascertain the personnel of Mary's household, hence the list in the 1679 edition of *Anglia Notitiae*. He took no further notice of Mary's household, nor does this index, as it ceased to be part of a British establishment until Mary's accession after the Revolution.
